

Orthopedic Advanced Practitioner Opportunity

PA-C

Tri Valley Health System | Cambridge, Nebraska

Tri Valley Health System (TVHS), a leading rural healthcare provider serving southwest Nebraska, is seeking a dedicated and motivated Physician Assistant (PA-C) to join our Orthopedics team. This is an excellent opportunity for new graduates or experienced providers to practice in a collaborative, patient-focused environment.

Why Choose Tri Valley Health System?

- Modern facilities with supportive leadership
- Integrated network: hospital, specialty clinic, and primary care
- Accredited Critical Access Hospital committed to rural health
- Work closely with orthopedic surgeons, physical therapists, and care teams
- Make a meaningful impact in a tight-knit rural community

Position Overview

As an Advanced Practitioner in Orthopedics, you will play a key role in diagnosing and treating a wide range of musculoskeletal conditions while collaborating with a multidisciplinary team to ensure optimal patient outcomes.

Key Responsibilities

- Conduct patient assessments and physical examinations
 - Order and interpret diagnostic tests
 - Develop and manage treatment plans
 - Assist in surgical procedures and provide post-operative care
 - Educate patients and families on treatment and rehabilitation
 - Collaborate with orthopedic surgeons and care teams
-

Education & Qualifications

- Graduate of an accredited PA program
 - Current or eligible Nebraska licensure
 - Orthopedic experience preferred, not required
 - Strong clinical and communication skills
-

Life in Cambridge, NE

- Small-town charm with excellent schools
 - Easy access to outdoor recreation
 - High quality of life with a strong sense of community
-
